Hi Marjorie,

The following are EPA's initial comments on the *Rosemont Copper Project Habitat Mitigation and Monitoring Plan Permit NO. SPL-2008-00816-MB* dated April 1, 2014 (HMMP). Given the short review period, these comments are not inclusive. For purposes of this Technical Memorandum, we focused our evaluation on the proposed mitigation at Sonoita Creek Ranch. We will be providing you with additional comments on the remaining mitigation proposed in the HMMP.

## Ex. 5 - Deliberative Process

Please let me know if you have any questions.

Best,

Rob
